

## PRIVACY POLICY

# RESIDENTIAL PERMITS

This Privacy Policy provides information required under UK data protection laws. When 'personal information', 'information' or 'data' is referred to herein this has the same meaning as 'personal data', as defined under UK data protection laws.

### **The Permit issuer (Landowner)**

Premier Park is a car park management company, who manage parking on behalf of private landowners. When processing your personal information, Premier Park is defined as the 'processor' and the Permit Issuer (Landowner) is defined as the "controller", as per data protection laws.

### **The type of personal information collected**

We will collect and process all the information you and/or the landowner/leaseholder supply when using this service.

As/where appropriate the following personal information is collected/processed - Title/Name/Postal address/Email (mandatory and password)/Telephone number/Mobile number/Vehicle related documents (such as a V5 form, MOT certificate, and insurance documentation, the Vehicle Registration Mark (VRM), / Vehicle make and model/ Engine type/ Fuel capacity/ Colour of Vehicle/ Emissions data/Evidence from a care agency, GP or local authority.

### **The reasons your personal information is collected**

When using this service your personal information is collected, on behalf of the landowner (Permit Issuer) and processed by Premier Park, as necessary, to facilitate the parking arrangements/agreement that you have with the landowner (Permit Issuer). Personal information is processed in the following scenarios:

- Submitting an application for a permit with a specific landowner / leaseholder
- Reviewing permit applications in line with the landowner / leaseholder's criteria
- Assessing permit applications and the applicant's eligibility for a permit
- Responding to permit applications (whether successful or otherwise)
- Where an application is successful, to enter into an agreement for a permit
- To manage and perform the terms of any such permit agreement
- Printing issued permits
- Renewing a permit
- Amending a previously issued permit
- Corresponding with applicants about permits
- Sending automated alerts and emails relating to the issue, management, maintenance, and renewal of parking permits as well as in the provision of technical support
- Recording the details of your permit to enable us to monitor the proper use of the car parking facilities within the car park(s) to which your permit relates.

We will also process data in pursuit of our, your, the landowner / leaseholder, legitimate interests, including corresponding with you and / or the landowner / leaseholder about your permit (as outlined above), registering your permit, and providing technical support (where required). This processing is necessary to enable the provision of an effective car park management service.

## **Lawful Basis**

The lawful basis relied upon for processing your personal information is your *consent*. You are able to withdraw your consent at any time. You can do this by contacting the Landowner (Permit Issuer), though this may invalidate your ability to park.

## **International transfers**

For us to perform the normal functions of our company and in providing you with goods and services, in some instances where we need to send personal data outside the UK. We either transfer to a country that has been deemed "adequate" for personal data transfers by the UK government (such as one of the countries in the European Economic Area) or we put in place approved international data transfer contract clauses (such as the UK's International Data Transfer Addendum to the EU Commission Standard Contractual Clauses).

## **How your personal information is stored**

Your information is securely stored in cloud provision based in the UK.

## **Automatic decision-making and online profiling**

Automated decision making is not used in the parking permit application process. Where applicable, criteria provided by the landowner (Permit Issuer) is applied to assess entitlement to a parking permit however, prior to any final decision being made all applications are manually reviewed prior to a final decision being made.

## **Who is data shared with?**

In order to deliver the parking permit services data is shared with Premier Park, who facilitate the parking permit assessment and issuance process. Premier Park may share data with certain third-party organisations including authorised sub-contractors such as mail service providers, IT service providers and payment facilitation service providers.

## **Payments**

A third-party Payment Card Industry (PCI) compliant payment gateway provider is used to facilitate payments for parking permits

as/when they are applicable. The Permit Issuer (Landowner) and Premier Park do not store payment card details.
